## Reading that Feeds the Soul

This is one of the best books that I have ever read about the power of prayer and how prayer is essential to being filled with the Holy Spirit. This book makes me excited about what God will do through people who pray and has inspired me to pray more. Jim Cymbala has a great witness to what prayer can do in a church and has given me hope for the future of our churches and how God might use us to change lives and impact Shannon and the world around us. This is one of the few books I have ever read more than once.
